

## Mission Statement

A.A.H.S.S. /Austin Christian is an association formed for the purpose of providing excellence in competitive athletic activities and sports education to home school families in a setting which glorifies God.

### A.A.H.S.S. / Austin Christian

In May of 2005, a group of home school parents stood on the brink of something new and wonderful. Within less than three months, the impossible became possible. Three athletic programs were in place with Christian coaches whose lives displayed their faith. By the end of the year, the football team, three basketball teams, and the volleyball team had completed full seasons. The freshman boys' basketball team had placed 2nd in 4A in the nation. An Ethics Committee had been added to the Steering Committee to assist with the godly guidance of the organization.

In addition to the first objectives, it became apparent that equally important was the preparing of students with skills to remain firm in their beliefs and to work and live in a world that often does not reflect the same values.

In 2006-2007, six sports were added for elementary students: soccer, football, basketball, volleyball, track and field, and swimming. The Junior High and High School football program grew from eleven students to thirty...with more expected this coming year. The Varsity football team placed 14th in Texas among private and independent schools.

While the majority of students live in Austin, Round Rock, and Georgetown, students participate currently from Buda, Kyle, Dripping Springs, Manchaca, Oak Hill, Spicewood, Marble Falls, Leander, Cedar Park, Liberty Hill, West Lake, Pflugerville, Thorndale, Smithville, Cedar Creek, and Del Valle. Parents appreciate the way their children thrive in the setting of our program, among like-minded youth.
